

Internet Use | River Grove Public Library

Requirements:

- Have a valid River Grove or "MLS" library card or ID showing River Grove residency.
- Read and signed the Internet Use Agreement.
- If you are 11 to 17 years old, in addition to your signature we need the signature of your present parent or legal guardian.
- Patrons age 10 and under must be accompanied and supervised by a responsible adult.

Use:

- I will register Circulation staff before using the computers.
- Patrons use the computers on first come, first served basis, in 30 minutes increments. If someone is waiting to use a computer, the earliest patron will be given 5 minutes notice to finish up so the next person can use the computer.
- We do not provide instruction, however Circulation staff can suggest resources to help you learn to use the software and navigate the Internet.
- One person per computer.
- I will not bring liquids or food by the computer.
- I will abide by copyright laws.
- Printing costs 10 cents per black and white copy and 50 cents for a color copy.
- These are public use computers. Nothing is saved on the hard drive. If you want to save your work please bring a flash drive or buy one at the circulation desk
- I will be finished printing and signed off 15 minutes before closing.

Disclaimers:

- The library is not responsible for any loss or damage due to computer malfunction.
- Installations of software are not permitted.
- Any unlawful use of the Internet is strictly prohibited.
- Any attempt to circumvent security or cause damage to hardware or software will result in loss of computer privileges.

- Use of the computers at the River Grove Library, is a privilege not a right. Please respect the rights of fellow library patrons, staff and computer users, (including children), not to be exposed to offensive images, words or sounds. Abuse of this principle will result in loss of privileges.
- Library staff will give verbal notice 30 minutes before closing, giving you and additional 15 minutes to finish work and printing. The computer stations will be shut down 15 minutes before closing.
